Easter Sunday

1. Pray! Ask God to guide you as you open up and unpack scripture. Specifically, ask God for sensitivity as we discuss possible differences in our understanding.

John 20:1-18 Acts 10:34-43 1 Cor 15:1-11

2. What stands out to you from the readings?
3. How much does the resurrection feature in your sharing of the good news with the world?
4. What impact does the resurrection have on you and your day-to-day life.
5. Spend some time, thinking, praying and discussing how to best share the good news of the resurrection with friends and family. Are there illustrations that help you to remember (like the sweet Easter)?
6. Spend some time praying for the impact that Easter services have had, in our community, our nation and worldwide.
7. Spend some time praying with each other for anything else that God may lay on your heart.
