

# FAITH IN EVERY SEASON

**WEEK 4 | YOUTH**

## SESSION 1

Here are some questions to help you think about the content from video 1 of 'Faith In Every Season' in relation to your own life.

### **CHAT:**

In 3 words, how would you describe this current season of life?

How are you doing, at the moment?

Do you think it's easy to be content with life? Why/why not?

What do you think makes people feel discontent with life?

Have you ever experienced contentment from God?

What's one way you can connect with Jesus more this week?
